PROFILE

Ambitious self-taught front-end developer seeking an Intern-level position to begin my career to secure employment with a reputable organization to expand my skills, knowledge, and experience. I have good skills in HTML/CSS/JavaScript. I have recent experience working as a Front-end developer with React, Previously made some small applications, which are available on my GitHub profile, and Currently working on a self-project called (Expense-tracker-app) using react. I also can convert templates from Figma to Gutenberg, which I believe would be valuable for the role of a Web Developer Intern in your Company.
